UNDERGRAD

Asaf received his bachelor's degree in history from UCLA with honors magna cum laude. He then went on to earn his J.D. from Southwestern Law School in May 2018. During his time at Southwestern, Asaf took special interest in negotiation courses and went on to be a finalist in Southwestern's negotiation competition. He also participated in his school's Street Law Clinic where he taught law-related critical life skills to youth in Los Angeles. His work experience includes interning at the Los Angeles District Attorney's office as well as a firm specializing in personal injury. He also participated in his school's Street Law Clinic where he taught law-related critical life skills to youth in Los Angeles.
