UNDERGRAD

"Always be more prepared than your opponent, and anticipate their every possible strategy."

After working in the Fresno County District Attorney's Office, Richard Krum joined Hanna Brophy in 1985.

Richard became a partner with the Firm, and, shortly thereafter, he became the managing partner of our Fresno office, where he served on the Firm's management committee. In 2019, Richard opened the firm's first San Luis Obispo location covering both the Santa Barbara and San Luis Obispo boards. Richard has a reputation for being an aggressive trial attorney before the Workers' Compensation Appeals Board. His personal philosophy is to attempt to resolve claims as quickly as possible with only the necessary amount of discovery being conducted.
